

\$250 REBATE

Air Source Heat Pump

Rebate Requirements/Terms and Conditions:

- ✓ Unit(s) must be purchased and installed between 1/1/2024 and 12/31/2024.
- ✓ Customers can qualify for a maximum rebate of two systems every five years.
- ✓ There must be a PSEG Long Island residential electric account at the installation site in the applicant's name.
- ✓ Rebate application must be submitted within 90 days of purchase and postmarked no later than 12/31/2024.
- ✓ Please allow up to 60 days for delivery of the rebate check.
- ✓ Some ENERGY STAR® qualified equipment may not be eligible for this rebate. Qualifying units must be listed in the AHRI directory.
- ✓ It is the customer's responsibility to ensure installer has proper licenses, certifications and Installation is to be properly permitted (or received authorization). Documents, including but not limited to, permits and surveys are to be provided upon request.
- ✓ Replacement of systems less than five years old that received a rebate are not eligible for another rebate unless the SEER level of replacement unit is higher than the existing unit by at least one full SEER level.
- ✓ All units must be installed with the matching unit/equipment specified in the AHRI directory. These rebates apply to new and replacement total system installation performed during the term of this rebate program. The condenser (outdoor) and coil/air handler (indoor) must be installed new and constitute one unit. Partial system replacements do not qualify.
- ✓ PSEG Long Island reserves the right to inspect the equipment installation to ensure compliance with program requirements. Failure to allow PSEG Long Island access to the equipment can result in the disqualification of your rebate.
- ✓ PSEG Long Island is not responsible for any tax liability imposed as a result of rebate payments.
- ✓ PSEG Long Island reserves the right to use the customer rebate to credit accounts in arrears.
- ✓ PSEG Long Island is not responsible for lost or undeliverable mail or email.

Rebate Requirements:

Units must be listed on NEEP'S Cold Climate Air Source Heat Pumps List. <https://ashp.neep.org>

Terms and conditions are subject to change without notice, including early termination of this promotion. No additional fees apply. Rebates will be issued in check form or account credit. PSEG Long Island reserves the right to use the customer rebate to credit accounts in arrears. By providing a telephone number you are giving consent to be contacted at that number about matters that are closely related to the utility service. PSEG Long Island administers the rebate program on behalf of the Long Island Power Authority, the rebate program sponsor. Some restrictions may apply.
